

Application: Casting and molding a figurine

This is an individual assignment.

Before handling the activity materials, make sure to watch the tutorial video and read through the safety data sheets for the modeling clay, aljasage, and plaster.

Please submit this form once you have created the final product (the figurine cast).

After you submit this form, email a top view, bottom view, and side view (three pictures) of your final product (plaster figurine).

* Indicates required question

Email *

Your email

Your first and last name. *

Your answer

I have read the safety data sheets for the modeling clay, aljasafe, and plaster. *

Yes

Looking at your final product (plaster figurine), what would you say turned out well? *

Your answer

Looking at your final product, what would you say could have turned out better, if anything?

Your answer

Did you find any steps in the process of making the figurine challenging to execute? If so, which steps were those and what did you find challenging?

Your answer

Given another opportunity to repeat the same exercise, with the same materials and equipment, would you do anything differently? If so, what would you do instead? *

Your answer

Was there any equipment that you did not have access to and would have helped you with the assignment?

Your answer

Did you enjoy this exercise? *

	1	2	3	4	5	
Not at all	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	Very much

Please elaborate on your response to the previous item. *

Your answer

If there was anything you were not sure about to do with this assignment, or if you would like to leave a comment about the assignment, please do so here.

Your answer

A copy of your responses will be emailed to the address you provided.
